

# OUR PROCESS

## 1 PASSING THE LEAD

Pass us any vendor lead whether it be pre or post your Market Appraisal. We will introduce auctions to your vendor.

## 3 LIVE LISTING

Rocket will work with you to complete the auction listing page making sure all photos, descriptions and information is available and ready to go live.

## 5 VIEWINGS & ENQUIRIES

Rocket will manage all auction related enquiries and leave you the property experts to conduct viewings and answer any property specific questions.

## 7 SOLD!

The Rocket team will manage any sales progression from exchange to completion.

## 2 ADMIN & CHECKS

The Rocket team will liaise with your vendor and organise the initial paperwork, undertake AML checks & order legal packs.

## 4 PROPERTY MARKETING

You advertise on your property portals (Rightmove, Zoopla & On the Market etc) and we will advertise on both [rocketauctions.co.uk](http://rocketauctions.co.uk) and [bambooauctions.com](http://bambooauctions.com)

## 6 MANAGING THE AUCTION

We manage the entire auction processes from start to finish helping achieve the best price for your vendor on your behalf.
